

The 2013 RECURDYN Technology Conference

When: Thursday, September 26th: Conference sessions
 Friday, September 27th: Optional training

Where: Cincinnati, Ohio (Meeting hotel will be decided later)

What: Hear the latest about RecurDyn and learn how engineers are taking advantage of RecurDyn capabilities

Registration: Please fill out the registration form below and email a scanned copy to RD_TechConf@motionport.com or mail a printed copy to the address shown at the bottom of the form. Note that there is no cost for RecurDyn Customers who register by July 31.

Participation: Each attendee is asked to present a 10-minute summary of the usage of RecurDyn and the enhancements that they are interested in.
