

The 2017 RECURDYN Technology Workshop

Hosted by  in historic Moline, Illinois

When: Tuesday, October 24th: Information exchange through presentations
 Wednesday, October 25th: Training

What: Hear the latest about RecurDyn, receive the new version V9R1, and learn how engineers are using RecurDyn effectively.

Registration: Fill out the form below and email a scanned copy to rd_techworkshop@motionport.com or mail a printed copy to the address shown at the bottom of the form. Please note that:

There is no cost for RecurDyn Customers who register by July 31st.

Participation: Attendees are asked to introduce themselves and share a 5-10 minute summary of their usage of RecurDyn and the enhancements that they are interested in.

<p>After holding the first three workshops in Cincinnati (OH), Rochester (NY), and Cleveland (OH), it's time to head west to the home of great agricultural & earth moving innovation in Illinois and Iowa. The venue will be Moline, Illinois, near to the John Deere pavilion and John Deere store.</p>
